

The 2010 Kogarah Bay 10 Rater Challenge. 13 February

Eight boats started racing at 10am on Saturday 13th February at KBSC in humid conditions with the occasional sprinkle of rain. A SSW breeze of about 5 knots gradually faded during the morning to zero breeze when lunch was called. Even so seven races were completed with two wins each to Frank Russell, Owen Jarvis and Allen Roberts, and one to Phil Page.

After lunch, in a light SE breeze a further eight races were sailed. Frank Russell won four, Owen Jarvis three and Allen Roberts one. Allen deserves special mention because this was his first 10 Rater regatta and to take third place is a credit to his boat preparation and sailing ability. Congratulations Frank on the win.

So after 15 races and two drops the results are;

Place	Skipper	Sail #	State	Score
1	Frank Russell	54	NSW	22
2	Owen Jarvis	82	NSW	28
3	Allen Roberts	61	NSW	36
4	Phil Page	50	NSW	40
5	Andrew Sands	43	NSW	66
6	Sid Thomas	28	NSW	69
7	Ian Walters	15	NSW	99
8	Brian Hard	29	NSW	110

Many thanks go to Kogarah Bay Radio Yacht Club members Jim MacGillivray and John Haines for running the event.

The 2010 NSW 10 Rater Interclub Shield Round 1 (Handicap)

On Sunday the start was delayed by more than an hour waiting for some breeze. A light SE breeze arrived about 11.15 and racing commenced. Twelve races were held during the day. Sid Thomas and Ian Walters won four races each, Frank Russell two and Allen Roberts and Matthew McAnna one each. A big thankyou goes to Marilyn Russell. Marilyn ran the event, adjusted the handicaps after each race and calculated the final results. First second and third were decided after a count back and with only six points between the first three places and sixth place close racing was had all day.

Congratulations Sid, well done.
